About me

Operations Analyst with one year of experience supporting business operations for the U.S. and Canadian markets. Experienced in operations management, customer service, administrative support, SAP, Microsoft Excel, Sigo, and CRM. with a proven ability to optimize processes, analyze information, and collaborate effectively across teams. My professional background also includes teaching and childcare, which have strengthened my communication, organization, adaptability, and problem-solving skills.

Passionate about languages, cultural exchange, travel, and continuous learning, I thrive in multicultural environments and enjoy taking on new challenges that foster both personal and professional growth. I am a proactive, detail-oriented, and results-driven professional who is committed to delivering high-quality work and contributing to organizational success.
